

INVITATION TO PARTICIPATE

LITTLEST ANGEL GUILD'S 40TH TOUR OF HOMES, KITCHENS & GARDENS

Showcasing KITCHENS, HOME DESIGN AND OUTDOOR LIVING SPACES

CHOC Children's annually treats 300,000 children in our community and is recognized as one of the leading Children's Hospitals in the nation. The Littlest Angel Guild has been a part of that history and has served CHOC and the community since 1965. We are a multi-generational group, one of CHOC's Miracle Makers, and raised nearly \$6 million for CHOC. Our most popular community event is the Annual Home & Garden Tour.

We are extending an invitation to you to join us in our 52nd year of supporting CHOC Children's. We are seeking homes that feature unique indoor and outdoor living spaces, kitchens and gardens.

About the Littlest Angel Guild's 40th Tour:

- Home & Garden Tour will be held on Friday, October 20 from 10:00 a.m. to 4:00 p.m.
- Our experienced Team of volunteers manage all aspects of the Tour:
 - Hostesses greet the visitors and Docents and/or designer point out unique features of the kitchens
 - Parking volunteers assist our visitors and have experience with gated communities.
 - Coordinate local Floral and Table Décor Designers to provide accents to complement your home.
 - Coordinate Culinary Vendors
 - Coordinate "Petite Boutique" Vendors
 - Work closely with each home owner and their kitchen designers and contractors from final selection to day of tour.

We hope that you will accept our invitation. We believe that the distinctive architecture and prestige of your community will create a banner year for this unique tour. We look forward to meeting with you and finalizing tour details.
